A NEW MISSION
TO SHINE A LIGHT ON LOCAL ARTISTS

Like for so many, the pandemic was not only a time of change but also a time for self-reflection. As scary as it was, it also was a time for so many to identify what we loved most including family and friends and really think about what it was that we wanted to do most with our lives.

It was during this time that I realized that I had put off my love for the arts too long so I started to make a plan to open a gallery. I knew that I wanted to find a way to elevate and shine a light on artists that had committed a life time to enriching our world around us through their artistic creations.

I thought about the size and scale of my gallery and realized that I wanted to have an intimate setting where people of all ages and backgrounds could come and enjoy and grow their appreciation for painting, ceramics and sculptures.

I was very fortunate to have found just such a space in the summer of 2023 in the beautiful town of Saratoga right in the heart of the village. The village has such a perfect blend of sophistication and hometown woodsy charm that suits my vision for the gallery.

I AM PROUD AND HONORED TO SHARE MY PASSION FOR THE ARTS AND HELP CONTINUE TO SPREAD ART APPRECIATION IN THIS COMMUNITY WITH A LONG HISTORY OF LOVE FOR THE ARTS - MONA - GALLERY DIRECTOR

These artists have studied art in various prestigious art schools and have continued to hone their skills over several years or even decades. I am proud to have the opportunity to represent their art and share their passion with all that visit Arte Haus of Saratoga.

UPCOMING EVENTS

MIX AND MINGLE WITH ARTS AND THEIR ART

Every month Arte Haus of Saratoga will host an event that will introduce the artists to the community. Each event will be two to three hours afternoon or early evening event with a new artist. We hope to be able to offer all attendees an opportunity to enjoy the art and ask the artist any questions about the art pieces, their career and even request commissioning an art piece. There will be light refreshments served at these events.

After the Meet the Artist evenings, the gallery will host their art work as an exhibition for 2-4 weeks. So if you can't attend the actual event, you can still come by and see the art work.

Our first Meet the Artist event is on April 20th.

In addition to these events, Arte Haus of Saratoga will be host to several events run by the Saratoga Chamber of Commerce such as the Saratoga Wine Stroll on May 11th, 2024. Tickets for the Wine Stroll are on sale on the Saratoga Chamber of Commerce website.

Please find details for upcoming events on our website and on IG.
